Access to Medical Reports Act (1988), Access to Personal Files and Medical Reports (Northern Ireland) Order 1991, Access to Health Records and Reports Act 1993 (Isle of Man) ("Acts")

To enable American International Group UK Limited or their agents (the Company) to assess your claim, it may be necessary to obtain medical evidence. Any medical reports which are requested from your Doctor (your GP, medical specialists) are subject to the Acts. (Please note that medical reports requested from Doctors appointed by the Company are not subject to the Acts).

In summary your statutory rights under the Acts are as follows:

1. A medical report cannot be requested from any Doctor, who has attended you, without your written authority (consent).
2. You may withhold your consent. However, without your consent we may be unable to proceed with your claim.
3. If you do consent you can indicate whether you wish to see the report before it is supplied to us.
   a) If you wish to see the report, we will notify your Doctor accordingly. We will advise you that we have done so (notification).
   b) You will then have 21 days from the date of the notification to contact the Doctor, in writing, to make arrangements to see the report.
   c) The Doctor will allow 21 days for you to see the report before it is supplied to us.
   d) If the Doctor has not heard from you within 21 days of the notification he/she will assume you do not wish to see the report and that you consent to it being supplied.
4. If you do not indicate that you wish to see the report, we do not have to notify you if we apply for such report.
5. When you see the report, if there is anything in it that you consider incorrect or misleading you can request, in writing, that the Doctor amends the report, but the Doctor is not obliged to do so. If the Doctor refuses to amend the report you may: (a) withdraw consent for the report to be issued, (b) ask the Doctor to attach to the report a statement setting out your own views, (c) agree to the report being issued unchanged.
6. Whether or not you wish to see the report before it is sent to us, you may ask your Doctor to show you a copy of the report. Please note that the Doctor is obliged to retain the report for at least 6 months after it was supplied. The Doctor may charge a reasonable fee for the cost of supplying the report but not exceeding £50.
7. The Doctor is not obliged to show you any parts of the report that he/she believes might cause serious harm to your physical or mental health or that of others, or it would indicate the Doctor's intentions towards you. If this is the case, the Doctor will tell you if your access to the report is limited
