Our cover goes beyond the scope of conventional liability insurance by including cover to protect your clients' reputations after a Crisis, Environmental Clean-Up costs, Product Recall costs, no-fault personal accident cover for employees and an option to cover clients' third party and product liabilities caused by a cyber-event.

Property Cover

New capability to write up to 100% line share on target risks.

Coverage based on our proven UK Corporate wording, updated and enhanced to provide market-leading protection.

Focusing on:

Up to £1bn total sum insured £10,000+ target premium

Cover available:

- Property Damage
- Business Interruption
- Machinery Breakdown
- Terrorism
- Computer

Specialised propositions for:

- Professional & Financial Services
- Wholesale & Retail
- Manufacturing
- Health & Social Care
- Arts, Leisure & Hospitality

Underwriting Expertise

As a committed provider of Property and Liability insurance for more than 50 years, we are dedicated to building sustainable relationships with clients through our solutions orientated underwriting approach.

Claims Excellence

Our multi-award winning Liability and Property claims teams have outstanding expertise, capability and decades worth of experience handling complex and major losses.

Property Claims Promise

In the event of a major property claim, AIG will confirm coverage under the policy as quickly as reasonably possible. Once coverage is confirmed, we promise to provide the Policyholder with immediate working funds of up to 50% of our share of the agreed estimate within 7 days for:

- Property damage/repairs
- Clean-up costs
- Extra expense/increased cost of working

Casualty Claims Commitment

We recognise that however big or small, being subject to a claim can be a challenging and disruptive experience. From the inception of the policy, you will have access to a dedicated claims contact at AIG who is on hand to provide personal and proactive support throughout the claims journey.

Modular Flexibility

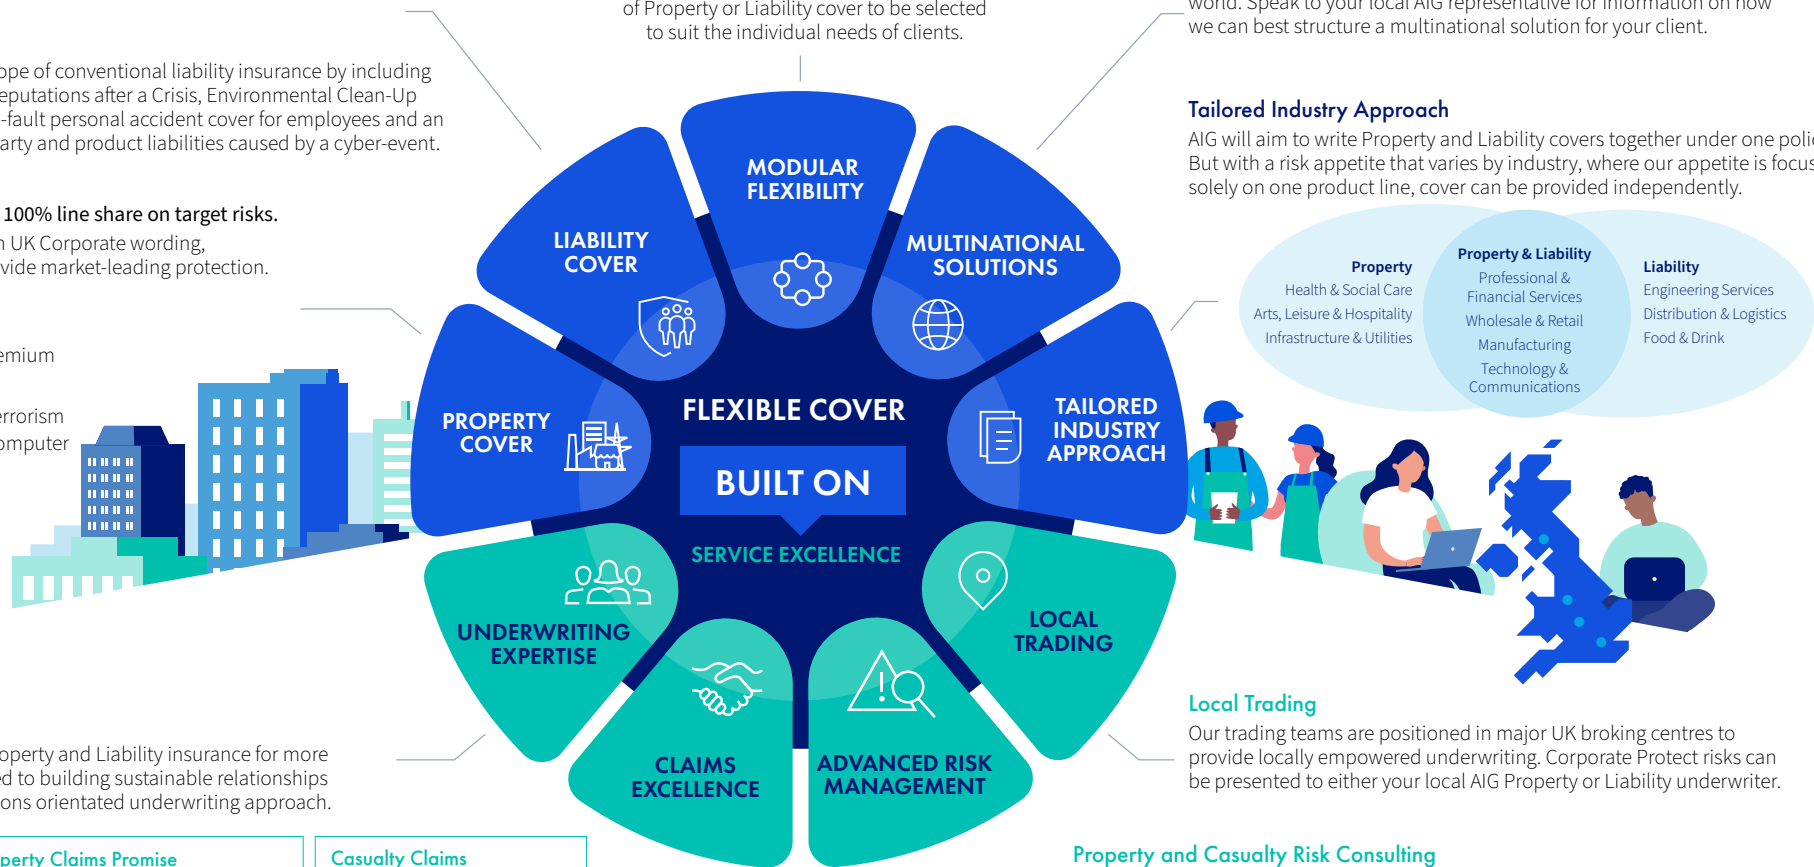

With common terms and definitions, Corporate Protect allows any combination of Property or Liability cover to be selected to suit the individual needs of clients.

Multinational Solutions

For UK domiciled businesses with an international footprint, our global network can issue policies and service multinational clients around the world. Speak to your local AIG representative for information on how we can best structure a multinational solution for your client.

Tailored Industry Approach

AIG will aim to write Property and Liability covers together under one policy. But with a risk appetite that varies by industry, where our appetite is focused solely on one product line, cover can be provided independently.

Local Trading

Our trading teams are positioned in major UK broking centres to provide locally empowered underwriting. Corporate Protect risks can be presented to either your local AIG Property or Liability underwriter.

Property and Casualty Risk Consulting

AIG has extensive risk consulting expertise and a global network of risk engineers. As part of our Property and Casualty risk consulting proposition, policyholders have access to a range of advanced risk management tools and services.

eLearning Platform

Complimentary health and safety eLearning services for our Liability policyholders.
