

WINNING WITH AIG

Help when it matters most

Financial Institutions

At AIG we understand the broad range of claims which Financial Institutions face. Every year we deal with hundreds of claims made against our clients, who range from global banks and insurance companies to national lenders, credit providers and asset managers. Our long history of servicing Financial Institutions of all types gives us a deep understanding of the changing legal and regulatory risks which our insureds face, so that we can provide them with the assistance they need when claims arise.

Our Financial Institutions claims adjusters are dedicated experts in their field. They collaborate with a global network of claims experts which enables us to provide a seamless and tailored claims service to our clients, no matter where claims are brought or what legal or regulatory challenges arise.

Not only will we support you when you face a claim, but our knowledge of claims trends will help you formulate your own risk management strategies.

Giving you Confidence

We know that our clients want a close relationship with an insurer who will defend their interests, with regular updates, reviews and consultations as their claim progresses.

If a claim is made, our clients need to know they have people on their side with the knowledge and expertise to deliver the protection they purchased. AIG prides itself on the skills and expertise of its Financial Institutions claims team – one of the most experienced in the industry.

Working in Partnership

We understand that our clients require continuity, so when we receive a claim notification we'll always allocate a dedicated adjuster to be the point of contact. Our adjusters are always available to discuss the best strategy to resolve a claim, and we can call on our global network of expert legal, accountancy and forensic advisers to provide the right claims resolution strategy, every time.
