

CYBER

WHERE WE CAN HELP

INDUSTRIES

All Industry sectors	●
Credit rating agencies	●
Social media platforms	●
Crypto currencies/brokers	●
DNA Testing/advising	●
Businesses and organisations of all sizes: SMEs to Multinationals	●
Businesses and organisations in all geographies	●

These are the boundaries of our appetite:

In between lies a spectrum of risks we assess and underwrite on their own individual merits.

Claims help when it matters most

- Tried and tested “First Response” immediate IT, forensic and legal help after a breach.
- 1-hour response to help mitigate clients’ losses as early as possible.
- No policy retention for “First Response”.

AIG Cyber Differentiators

Cyber Expertise

- One of the largest cyber insurance teams in the UK.
- Deep experience underwriting cyber risks and handling cyber claims.
- Enables us to deliver high quality advice and support to brokers.

Global Capabilities

- We can issue cyber insurance policies in over 60 countries around the world.
- Strong support for brokers’ multinational and international clients.
- Successful track record tailoring cyber cover for their specialist requirements.

Cyber Risk Advisory

- AIG continuously monitors clients’ publicly-facing internet infrastructures for key vulnerabilities, infections, misconfigurations
- If we spot signs that may lead to a substantial cyber incident, the client is alerted and can be guided through remediation.

Cyber Loss Prevention

- A range of complimentary services available to AIG policyholders.
- Includes vulnerability scanning, malicious IP blocking, cyber prevention training.
- Helps prevent a cyber loss from happening in the first place.

First Response

- Emergency response in the event of an incident is critical and provided within 1 hour.
- AIG Cyber clients receive best-in-class legal and IT forensic support for up to 72 hours after an actual or suspected cyber incident.
- There is no policy retention or erosion of policy limits for this valuable service.

Cyber Claims Expertise

- Our outstanding claims team has handled all types of cyber incidents.
- We ensure clients in all sectors and locations are provided with the right expertise to guide them through a cyber event and minimise business disruption.

Our Cyber team leaders

EACH OPPORTUNITY IS EVALUATED ON ITS OWN MERITS

American International Group, Inc. (NYSE: AIG) is a leading global insurance organization. AIG provides insurance solutions that help businesses and individuals in more than 200 countries and jurisdictions protect their assets and manage risks through AIG operations, licenses and authorizations as well as network partners. For additional information, visit www.aig.com. This website with additional information about AIG has been provided as a convenience, and the information contained on such website is not incorporated by reference herein. AIG is the marketing name for the worldwide operations of American International Group, Inc. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries and jurisdictions, and coverage is subject to underwriting requirements and actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds. American International Group UK Limited is registered in England: company number 10737370. Registered address: The AIG Building, 58 Fenchurch Street, London EC3M 4AB. American International Group UK Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and Prudential Regulation Authority (FRN number 781109). This information can be checked by visiting the FS Register (www.fca.org.uk/register).
